

HOLLAND PARK  
PRIMARY SCHOOL

## Holland Park PTA News

Dear Parents/Carers,

We will start by saying thank you to everyone for their ongoing support with our PTA events. The disco on Friday was a HUGE success, and we hope you all agree that the children had a brilliant time. The singing, dancing and smiley happy faces really make all our efforts worthwhile. We sold an incredible 262 tickets and made an amazing profit of **£689.08!!** As always, the profit made goes directly back to the school to pay for events and resources that benefit all of our children.

A massive shout out to Emma and Sharon from Emmas's Characters Parties for the entertainment. Their energy and ability to entertain all year groups was yet again outstanding. Also thank you to the staff at Holland Park that stayed to help supervise. It was nice to see you all up and dancing, showing us your moves!

This year we are hoping to hold a few more events as we have had a special request to raise funds for a purpose-built log cabin! This will be a wonderful addition to the forest school area and create a hugely beneficial space for all our children to enjoy and learn in all year round.

To ensure the current success of the PTA is maintained and to be able to hold more events we need more people to join our small, friendly team. We know it's daunting, we have all been there but honestly, the commitment is very small. Some members only help a few hours a year, whilst others commit to many more. There is no right or wrong. We all just give what we can, when we can.

So, if you want to know more about what goes on behind the scenes, and how you can get involved please get in touch via email, pop along to a meeting, or grab one of us in the playground. Also don't hesitate to email us if you have any suggestions about events you would like to see in the future.

Many thanks

**Holland Park PTA**
